Dominick Scarfogliero is Promoted to Chief Executive Officer and President of Winholt Equipment Group

WOODBURY, New York January 23, 2018: Winholt Equipment Group, Founded in 1946, a leading manufacturer of Food Service, Food Handling and Material Handling Equipment for over 72 years, today announced the promotion of Dominick Scarfogliero to President and CEO.

Dominick Scarfogliero has served as President and COO since January 2009 and joined Winholt Equipment in 1993 as Vice President of Operations and Information Technology. Prior to joining Winholt, he had extensive experience in the consumer electronics' industry, where he led the operations, distribution and technology for two major US consumer electronics companies. Mr. Scarfogliero has extensive years of experience in manufacturing and operations management, and has been an intricate part of Winholt's management team for over 25 years.

Jonathan Holtz, Winholt's Chairman, stated: "Dominick has contributed tremendously to the company's growth since he moved into the role as President & COO in 2009. Winholt has a strong history of being a leader in our markets, and I am very confident in Dominick's abilities to continue to successfully grow the company in the future. With Dominick's leadership skills, he has built a strong team around him and one of my greatest satisfactions has been seeing the quality associates we have do outstanding work and grow within our organization."

Mr. Scarfogliero will play a critical role in leading and expanding the organization through increased sales, continued market growth, innovative product development and enhanced operating efficiencies. Our "We Care" philosophy focusing on our customers, associates, suppliers and community is an important part of our culture. We want to stay relevant to our customers and the markets we serve for today, tomorrow and the future.
