New Product Release

Non-Insulated Dutch Door Heater Proofer, Model NHPL-1833-ECOC-2D

Designed for the cost conscious operator who needs versatility in the kitchen from holding product at meal time to proofing dough at prep time. Our new Dutch Door feature reduces the loss of heat for a quicker recovery time.

This versatile aluminum cabinet has 1440 watts of heating power for quick recovery time during peak usage periods. User friendly dual environmental controls, one for heat (up to 180°F (82°C) and one to control Proof/Humidity (up to 95% humidity at 110 °F (43°C)). Forced air design provides even heat distribution. All controls are accessible without opening the cabinet door. Easy to read real time LED thermometer display. Extruded side walls hold (33) 18" x 26" and (66) 14" x18" sheet pans by the lip. Magnetic gasket keeps the doors closed when moving the unit and hot air sealed to keep product fresh. Clear Dutch Doors for easy viewing of products and reduced heat loss. Control drawer is removable for quick and easy cleaning and maintenance.

Dutch Doors reduce heat loss for quicker recovery time, which maintains food quality in the operation and puts out a better product. NSF and ETL Certified.

Winholt Equipment Corporation, founded in 1946, is a leading global manufacturer of high quality Foodservice and Material Handling Equipment. Winholt's headquarters is located in Woodbury, New York, with additional locations in PA, TX, CA, and China. Winholt supplies equipment to supermarkets, retailers, restaurants, and foodservice dealers in the United States and globally. The company's products are used in over 200,000 locations, including most major retailers, restaurants and foodservice chains.
